SHAURYA MATHUR

Supervisor - Demo Coordination

Shaurya joined Camp K12 way back in 2017 first as an instructor. In March 2020, he switched to a full-time role as a supervisor - Demo Coordination. His work involved ensuring demo operations are running smoothly, and his team isn't facing any issues. The favourite part of his job is guiding his teammates because he was once in their place and always puts himself in their shoes and strives to solve their problems.

Shaurya has spent 500+ hours teaching at Camp K12 and explains he absolutely loves taking classes. Even today, he makes himself available to take demo's from time to time. In his free time, Shaurya enjoys gaming and reading. Shaurya's dedication and need to always go above and beyond what is asked of him ensure he remains a crucial organ at Camp K12.
